

# LITTLE BEAD BOXES

errata sheet (updated 7/13/09)

## Notes:

-BEGIN HEM (at the end of the “sides” section of each box project) - Complete a four-row hem as explained on pages 30-31 before completing the last two rows.

-“nc” means “no corner”. In other words, you are currently sewing into the previous row that contains a corner bead so, because peyote rows are staggered, the current row has no corner bead/beads.

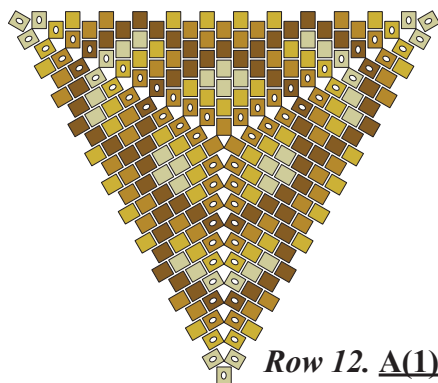

-“sc” means “skip corner”. It will be used in a decrease row where you will sew from the last bead of one side to the first bead of the next without adding a corner bead.

Star Box on p.76 – Color D is currently #011 but the dye lot has apparently changed considerably and it’s now much more green than brown. Replace D with #007 – Metallic Brown Iris
